WHIGS! LOCOS!! TYLERITES!!! ATTENTION THE WHOLE!

THE PISCATAWAY CLAY CLUB will give a free dinner in the village of Piscataway, on WEDNESDAY, the 31st instant, the meeting to commence at 10 o'clock, A. M. Arrangements have been made both in the speaking and eating line for the largest meeting ever held in Piscataway: the people are expected to come in with a perfect rush. Beside the Whig candidates for Governor, Elector, &c., some of the most popular orators of the two parties will be present--and after listening to both sides, the people will doubtless be able to decide which beverage is most to their palates--Polkberry beer, or the Ashland cider, which has just operated so delightfully in the State of Louisiana. Come, then, independent voters of old Prince George's, and her sister counties, whether you take shelter under a Polk-stalk, or an Ash tree! Come, freeborn and freehearted Americans of the District of Columbia--disfranchised brethren of the same great family. Come, hear the interests of your own dear country, and the prospective happiness of all its homes and firesides, freely and fully and candidly discussed! Come one, come all; come early!

WM. H. HERBERT,
Secretaries Piscataway Clay Club.

PETER CALLAN.

TO THE PUBLIC.

THE advocates of Mr. Polk are offering various propositions to bet on particular States, all of which are doubtless intended as manifestations of their confidence that Mr. Polk will be elected. Now, I consider this nothing more than the shallow device of a forlorn hope to deceive. To test the sincerity of Mr. Polk's friends upon the general result, I will bet a new brick building on G street, between 10th and 11th streets in the city of Washington, which I built within the last year, and which cost me between seven and eight thousand dollars, against seven thousand, that Mr. Clay will get the electoral vote for President of the United States at the pending Presidential election, if he, Mr. Clay, should be alive at the time.

I will make a deed to the person or persons who will take the above bet, to be deposited in either of the banks in the city of Washington, together with the seven thousand dollars, subject to the order of the one who may chance to win the bet.

The above proposition shall remain open to be taken at any time within ten days.

LOCAL NEWS.

THE EXCURSION.--The excursion of the National Blues yesterday evening down the Potomac, notwithstanding the lowering appearance of the day, was very well attended; and, though it rained incessantly from the time the boat left the Navy Yard until the return to the city, the company evidently enjoyed themselves to the full, and dancing was kept up with spirit until the boat reached the wharf. The Blues are entitled to much credit for the handsome manner in which the affair passed off, and the general satisfaction which was experienced by the participants.

A meeting of the Washington City Glee Club will be held THIS EVENING, at Club House, at 9 o'clock.

CORPORATION OF WASHINGTON.

MONDAY, JULY 23, 1844.

BOARD OF ALDERMEN.

All the members present.
A communication was received from the Mayor, nominating Thomas Kelly as Police Officer and acting Commissioner of the Sixth Ward.

Mr. MAURY, from the Committee on Improvements, reported, without amendment, the bill from the Board of Common Council, authorizing the grading and graveling of L street, between 7th and 10th streets; which was then read three times and passed.

Also, the bill from the Board of Common Council for the improvement of 6th street west from Maryland avenue to B street south, and B street south from 6th to 7th street west, with an amendment, which was agreed to, and the bill as amended was then read the third time and passed.

Also, an act entitled "An act supplementary to an act entitled 'An act for repairing the culvert at the junction of 3d and D streets in the Third Ward,'" which was read three times and passed.

Also, a bill for the relief of Wm. B. Wilson; which was read three times and passed.

Also, the bill from the Board of Common Council making an appropriation for conveying water to the corner of D street north and 7th street west, with an amendment; which was agreed to, and the bill as amended was then read the third time and passed.

Also, the bill from the Board of Common Council authorizing a flag footway on 13th street west; and it was then read the third time and passed.

Also, a bill for grading 4th street east, in the 4th Ward, and recommending its indefinite postponement; but before the question was taken thereon, the bill was, on motion, ordered to lie on the table.

Mr. WILSON presented a petition from Thomas J. Earhart for the remission of a fine; which was referred to the Committee on Claims.

Mr. LENOX presented a petition from Elias Abrams and Bernard Giveny for the remission of fines; which was referred to the Committee on Claims.

Mr. LENOX presented a petition from William Gunton and others for a foot-pavement; which was referred to the Committee on Improvements.

Mr. MAURY introduced a resolution authorizing an adjournment of the two Boards this evening until Monday, the 5th of August; which was read, and the question on its adoption being taken by yeas and nays, it was decided in the negative, as follows:

YEAS--Messrs. Barclay, Magruder, Maury, Lenox, Adams--5.
NAYS--Messrs. Wilson, Orme, Beck, Brady, Byington, Clarke and Thornly--7.

On motion of Mr. WILSON, the Board resumed the consideration of the nomination of William Cooper, Jr. as Commissioner of the Third Ward.

Mr. W. then laid before the Board a communication from Mr. Cooper, which having been read, the nomination was, on motion, ordered to lie on the table.

Mr. THORNTON submitted the following preamble and resolutions:

Whereas the 7th section of the city charter empowers the corporate authorities to lay and collect taxes upon real and personal property within the city, and to expend the same in the words of the charter, viz: "After providing for all the objects of a general nature, the taxes raised on the assessable property in each ward shall be expended in the following manner:

Resolved, That the corporate authorities have full power to define what shall constitute objects of a "general nature," and that streets in good repair are essential to the prosperity and comfort of all our citizens.

Resolved, That all such leading streets, avenues, and footwalks as the corporate authorities may from time to time designate "as general thoroughfares," are legitimate objects to be paid for out of the general funds of the city, instead of out of the ward funds as heretofore, especially such streets and avenues as lead directly to the adjacent country, on which is conveyed country produce and foreign commodities to our markets.

Resolved, That a committee of three members be appointed to inquire into the expediency of appropriating out of the general funds of the city such sums as they may think necessary to keep in repair all such leading streets, avenues, and footwalks as are of a general nature, the same to be expended under the inspection of commissioners, being an equal number from each ward, to be appointed by the Mayor; said commissioners to designate the general thoroughfare in each ward, who shall not expend annually more than such equal sum in each ward as may be by law agreed on.

Which were twice read and amended by striking out the preamble and the first and second resolutions; and the question on the adoption of the third resolution being taken by yeas and nays, it was decided in the affirmative as follows:

YEAS--Messrs. Lenox, Adams, Beck, Brady, Byington, Clarke, and Thornly--7.
NAYS--Messrs. Barclay, Magruder, Wilson, Orme, and Maury--5.

So the resolution was adopted, and Messrs. Thornly, Lenox, and Byington were appointed the committee.

And then the Board adjourned.

Mr. TOWERS presented the petition of Simeon Matlock and others, for setting the curbstone and paving the footway on the west sides of squares No. 425, 426, 427, 428, and 429; which was read and referred to the Committee on Improvements.

Mr. JOHNSON, from the Committee on Elections, made a report "that all the members of the Board appear to be lawfully entitled to their seats, according to the returns of the Commissioners of Election of the several wards, held on the first Monday in June last, and the provisions of the charter."

On motion, the bill "making an appropriation for improving 7th street west," was taken up, read the third time, and passed, with amendments proposed by Mr. Wilson and Mr. TOWERS.

On motion, the bill authorizing the grading and graveling of a portion of Virginia avenue was taken up, and amended, on motion of Mr. TOWERS, by reducing the width to be improved to 25 feet.

Mr. WILSON, from the Committee on Improvements, to whom was referred the bill "making an additional appropriation for 9th street west," reported the same without amendment, and it was read the third time and passed.

And then the Board adjourned.

DEATH grumbles at them, and for the very good reason that they make serious inroads into his weekly bills. What does death grumble at? Why of course at Peters' unrivaled Medicated Lozenges, which tone the system and resist diseases, and cure headaches, coughs, sea-sickness, dyspepsia, worms, nausea and low spirits, in a most incredible short space of time. A headache, for instance, in five minutes; a cough or a cold in a day; worms in three, and so on. One or two quick vendors of Lozenges grumble as well as death, but it's no use to them; for in spite of all they can say or do, people prefer living to dying; and so Peters' Lozenges go ahead.

They are for sale at CHAS. STOTT'S.
